

**CARLOW
COLLEGE**
ST. PATRICK'S

Supports and Assistance

The kinds of supports and assistance for which funding can be sought are as follows:

- Assistive technology equipment and software
- Personal assistance
- Academic / learning support
- Transport

It should be noted that the Fund for Students with Disabilities and cannot provide for any costs associated with:

- The assessment or diagnosis of a disability.
- Any disability-related costs that an applicant would incur whether they were a registered learner or not, for example, costs relating to medication, medical equipment, assistance or support.
- Study-related expenses that every learner might have, such as, course-related equipment, materials or software.
- Support or assistance outside the academic year or periods during the academic year when the college is closed
