**1. Purpose of Policy**

The *Benefits Policy* has been developed to provide staff with details relating to the benefits offered to employees by Carlow College, St. Patrick's (hereinafter, Carlow College). The College provides a comprehensive benefits programme in addition to wages and salaries that provides a number of services to meet the needs of its employees throughout their employment lifecycle with the College. This Policy outlines the criteria under which employees are eligible for benefit coverage. To get detailed information about benefits offered, please refer to the following Offices:

- for payroll / pension / finance benefit related queries, please contact the Finance Office;
- for Academic related queries, please contact the Assistant Registrar, Academic Affairs;
- for IT benefits related queries, please contact the IT Office; and
- for all other benefits related queries, please contact the HR Office.

**2. Scope of Policy**

Benefits offered by the College covers all employees who have completed their Probationary Period. This does not apply to the Employee Assistance Programme.

**3. Policy Statement**

Carlow College believes that a comprehensive benefits package is a key component of the College's compensation strategy that can support employees and their family's health and wellbeing. The College is further committed to offering a balanced benefit programme to help support employees and their families during times of unexpected illness or accident and to support them throughout their employment with the College.

The employee *Benefits Policy* has been devised to provide employees with a written outline of all benefits which forms part of an employees' total compensation package. The Policy

provides a framework of both legislative benefits whereby the College offers additional financial compensation in addition to offering other benefits that support employees during their employment. The College is committed to providing quality benefit initiatives to employees' which aims to attract, retain, motivate and reward employees by maintaining and establishing a competitive salary and benefit programme. The College reserves the right to amend and / or alter these benefits due to legislative and / or fiscal requirements. All employees who wish to avail of benefits offered by the College are required to adhere to the practices, procedures, guidelines and forms as outlined within this Policy. The *Benefits Policy* supports the Colleges' principles of equity and complies with all relevant legal requirements.

#### **4. Roles and Responsibilities**

The Human Resources Office holds responsibility for this Policy and any subsequent practices and procedures thereafter. The majority of benefits provided by the College is processed by HR and retained within the HR Office on staff personnel files. However, please note all payroll / pension / finance related benefits are retained within the Finance Office. Please refer the Academic Benefits section for further details.
