Carlow College, St. Patrick's

Carlow College, St. Patrick's is a small third level College specialising in degree level education in the Arts, Humanities and Social Care areas. The College has a rich tradition of education since its establishment in 1782. Its historic campus close to the centre of town offers an ideal learning environment. The College has a strong reputation for the quality of its education, based on small class sizes, an engaging and research active faculty, with strong academic and pastoral supports for students. Currently it delivers undergraduate degree programmes to level 8 in Arts and Humanities, English and History, Applied Social Studies in Professional Social Care, Psychology, and Social Political and Community Studies.

Our commitment to Equality, Diversity and Inclusion

Carlow College, St. Patrick's is committed to providing an inclusive working and learning environment, valuing diversity and fostering a culture where the rights and dignity of all its staff and learners are respected. Carlow College is dedicated to ensuring that all of its activities are governed by principles of equality of access, opportunity and participation. We recognise and celebrate the diversity of our college community, its learners and staff and we seek to actively promote a spirit of inclusiveness and mutual respect. The College is also committed to identifying barriers to equality, diversity and inclusion and providing supports to staff and learners to achieve their full potential.

In the promotion of equality, diversity and inclusion, Carlow College seeks to:

- Ensure that no prospective or actual learner or member of staff will be treated less favourably than any other in a similar situation during their study or employment at Carlow College on one or more of the following grounds: age; disability; race; religion; civil status; family status; gender; sexual orientation; membership of the Traveller community.
- Provide education of excellent quality to all its learners, whatever their identity, background or life experience.
- Identify and reduce barriers, which might deter prospective learners and staff members from applying to the College and to promote access for under-represented communities.
- Provide reasonable accommodation to learners, staff and service users with disabilities.
- Ensure that the Carlow College, St. Patrick's [Equality Policy](#) applies to all aspects of the learner and staff experience and welfare.
- Ensure that bullying, harassment or discrimination are not tolerated in any circumstance.

Mission Statement

In the shared enterprise of education, through teaching, learning, practice placement and research activity, Carlow College, St. Patrick's prizes excellence in all it does and endeavours to respond creatively to the changing needs of its learners, of potential employers and of society.

Vision

Carlow College, St. Patrick's will educate, engage and inspire its learners through the provision of

transformational learning and teaching experiences; it will enable a diverse learner and graduate population to achieve their academic and career potential and enable them to contribute to the ethical development of society at local, national and global levels.

Our core values are:

Truth and Integrity – We aim to create a research-led teaching and learning environment that is interdisciplinary in nature that inspires openness to new ideas and critical thinking and that is ethical in practice.

Respect and Justice – We recognise the diversity of our college community and seek to promote actively a spirit of inclusiveness, mutual respect and equality of opportunity and access.

Collaboration and Social Awareness – By creating opportunities to work together, both internally and externally, we believe that collaboration and partnership can best contribute to the ethical development of local, national and global communities and society.

Friendliness and Service – We are committed to maintaining a hospitable, learner-centred environment that recognises each learner's individual learning journey, and that promotes, values and supports their personal, social and cultural development.

Creativity and Innovation – We believe that learning is about being open to new ideas and possibilities both in what we learn and how we learn. We are committed to being an educational space which promotes creativity and innovation as a way of responding to the contemporary world.
